

## **ROBERT S. MERCER**

### **CHIEF EXECUTIVE OFFICER**

Robert S. Mercer has stepped down as President of Mercer Construction, but remains as Chief Executive Officer for the company.

He has been actively involved in the company's day to day operations, as a licensed general contractor, for thirty years, Mr. Mercer founded Mercer Construction in 1979 and incorporated in 1980.

Mr. Mercer's construction career began in 1956 as a store planner and draftsman. He later joined a large supermarket chain as a store planner eventually rising to the position of construction supervisor. Mr. Mercer then became vice president for a Southern California general contractor, estimating and negotiating contracts and subcontract agreements. As vice president for a commercial developer, Mr. Mercer was responsible for cost control, budget analysis, letting contracts, analyzing and approving change orders, and assisting in cost estimates for property management.

Mr. Mercer has been dedicated to fulfilling clients' expectations in even the smallest details. It was his goal to create a deep sense of satisfaction and the knowledge that full investment value has been received. He has committed himself to conscientiously work with professionals to seek ways to add value while minimizing cost and to complete projects as scheduled to guarantee a move-in date tenants and owners can depend on. Mr. Mercer holds general contractor's licenses in California, Arizona and Nevada.
